

BEFORE WATCHING

What do we write?

Why do we write?

DURING OR AFTER WATCHING

1. What are the three main problems?
2. What can we do to overcome them?
3. What's the Cornell method?
4. What's the Feynmann technique?
5. Should our notes be clear and organized?
6. Should we rewrite notes on a computer?

AFTER WATCHING

1. Are you satisfied with the note-taking method you're using now? Is there anything you'd like to improve?
2. Which tips from the video do you agree with and would like to implement? Which tips do you disagree with?
3. How can you summarize the main idea behind the video?

EXTRA TASK

Prepare notes about the video 'How to take good notes'?
