

## How would you react?

I'm taking my driving test tomorrow!	I'll keep my fingers crossed for you!
Merry Christmas!	The same to you.
May I make a suggestion here?	Go ahead!
We're getting married!	I'm happy for you.
The weather's been awful lately!	You can say that again!
I'm not going to work today, I have a cold.	Get well soon!
Look, I've made this flower arrangement for you!	How lovely!
Hm, this cake looks delicious!	Help yourself!
Thank you for having me over!	Make yourself at home.
I still don't understand passive voice!	How come?
Thank you so so much!	Don't mention it!
I've won a lottery!	Are you kidding me?
How about going away this weekend?	I like the sound of that.
I'll make dinner as long as you do the dishes later.	Fair enough.
It's not that this idea is stupid, it just doesn't make sense.	What's your point?
I've been looking for a job for months now and still haven't found anything!	I'm sorry to hear that!
